thewafflehouse.net/

Empty comment just here since I like that smiley at the end with that font. Or so I remember that this is a fun side-project for me, hence the not so stellar speed.

CHAPTER 5 - PROTECT KARIN!

I will hinder him
Until I'm back to my original body, I'll protect Karin-chan!
Onii-chan... why'd you come here?
Karin-chan doesn't know at all...
that this guy's posing as me...
And he has intentions of making moves on Karin-chan!
But there's no way I'll let that happen!
I want to talk with you for a minute...
Get over here
Sure, sure
POI
Geeeez! Onii-chan!

Please, at least for today, stop pestering me!
What do you think you're doing?!
You keep on being a pain, over and over again
Give me a break
Oops
My, my
You know this is my first date with Oosawa-kun!
Shuuichi's the one who will take the fall, not I
I can handle it, since as soon as I return to my original body,
Get over here, turd
Oni-chan, stop it!
Ow, ow
You made your sis' cry
Now look at that
Sh-Shut up!

Aw, aw
DAMN
At least let them have their talk
Pon!
Karin,
What?
U-umm
Class rep, about my brother, do you like him?
Hmm, I wonder

Shut up, you pervert!
Just because you've got some nice package now doesn't mean you can use it for violence!
Shiki! Shiki!
That hurts, y'know!
I know about how you took those secret camshots of your sister and how you've actually gone into the shower with her!
Ahuhuuu
Listen, I know your true motives!
PAT PAT
Just what are you planning to do with Karin-chan?!
C'mon, what's up with the "what"?
It's just the two of us, so cut the act and talk like the geek you are.
Hey, hey, Quit the Captain America crap. It's really not your style
Huh ?!

I just can't keep my hands off any longer
I'm going to kiss her, and then do *that*, and *that*, and top it off with *that* Isn't that self-explanatory?
As if that matters
WHAT RE YOU SAYING? MAN, SHE'S YOUR SISTER
As a fellow man, you should understand
You should try and walk in *my* shoes, and live with such a cute girl day after day
Heh.
Seriously, you're screwed up
SASH SASH
That's the sound of her skirt, btw I know the sfx sucks...

Oosawa Junpei's the one doing the mischievious things to Kido Karin.
GASP!
The one doing the screwed up things is you

Karin-chan!
As soon as we get back to normal I'll be sure to beat you half dead!
TOK
Hey, wait a minute!

Class rep, hurry!!
Hun? 'kay
Let's ride the Jet Coaster
We gotta go, too!
SCAM

He's seriously not safe to have around
Hurry!
Look here,
You can't just grab and pull a girl's hand like that
Eh
You know
I'm a girl too,
A-ah.
My bad.
Well of course you are.
Let's go then
S-sure

And her being a demon and all, I wonder...
Ah... that's right, when I think about it, she've had a bandage around her right arm for as long as I can remember...
Kyaaaa!
Kyaaaa!
GA GA GH GA
Kyaaaa!
AAAAAH!
TINK
TONK TONK TONK
Uhhhh

Was that it?
BA-DUMP
KI-I-I-K
It was over in an instant.
W-wait
Wipe that drivel.
Let's go for the next one!
's all spinning
Ah!
Crap!
Where'd they go?
UNTED MANSION
Aww, shit

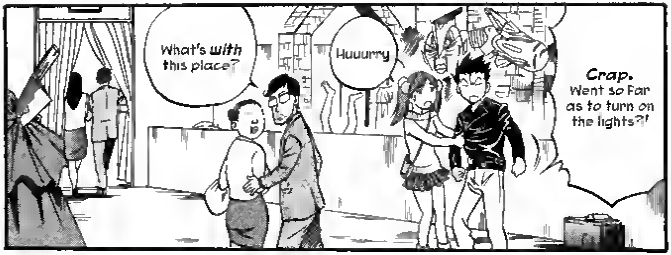
snap
Ahahaha, you're such a scaredy-cat, Akesh
Aaah, that was soo scary
Since I'm a scaredy-cat, too,
Hah.
Protect me, 'kay?
THUMP
And you're supposed to be a demon?
S-sure
Me? Protect?

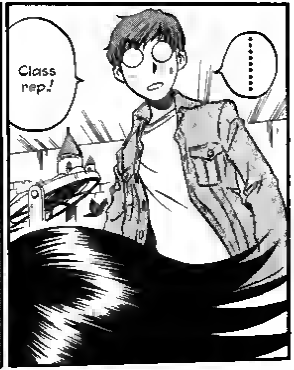
S-scaryyy!
Hyuu
Hyuuu, Hyuuu!
Hoo
GATANK
Gyaa!
Ki Ki Ki
Okay, fuck it! just close your eyes and run!
DASH!
Eeek? Take it easy!
This won't do! We've gotta hurry up or we'll lose sight of them!
Wh-why should I? Hahaha, What? You're scared, Class rep.?
Can't you walk faster?

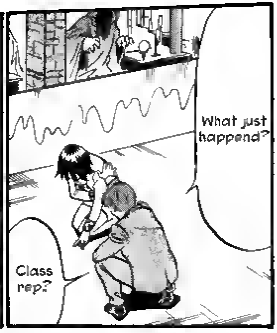
I, you
You heard me. I love you big time
Eh?
Karin-chan
You like me too, don't you?
You understand what I mean, no?
I like you.
Y-yeah
Well then--
But!
Um, yeah... but, erm--

Today's Oosawa-kun...
You don't act like yourself at all...
Or so I feel
I'm sorry for being rude
So I can't hit it like I always do, huh?
And there's not a chance I'd be chit-chatting about stars or whatever
Kyaaa, I'm so scaaared
Bak
KaDonk
And there's too many people around here
I better not be careless, or my play-time'll run out

* Because of the lack of pronouns in Japanese, it's sometimes quite hard to put a completely ambiguous sentence into English. This here literally means "New trick/device but it can also be "new small scale" (ie a new aftershock). So he is referring to Class rep., I believe but he's not making Karin aware of it (Class rep. being a demon and hence the cause of the sudden blast). In case you didn't get the context ^_^







I do wonder when/if they'll start using her real name instead of class rep. (Inchou) Since... for people who has been friends since they were kids, they sure don't address each other like it.

What's with the shaking, Class rep...?
Didn't I say that?
I'm a scaredy-cat, too
Now... Come
What is it?
Glance
Haunted houses are pretty pathetic when the lights are on, don't you think?
Hey, just wait up

That she went all weird.
It was when she entered this room~~

Eh?
Seems they've both gone elsewhere.

MANSION
God damn! Who put on the lights?
I don't know, sir.

We can't have that, we've got to find them!

I need you to help me out here!
What's up with that?! Didn't you, yourself, come up with this idea of having a double date?
Why do we need to care so much?
Huh?!
Huh?
I would've been far better off without this being a double
Huh? Too late?
Besides, it's already too late
Eh ?
"15 minutes," you say ?
We won't be able to do a thing for the next 15 minutes

Ah!
Look up there.
Waaah! We're screwed!
THE WORST
